Honorable Ken Bennett
Arizona Secretary of State
1700 West Washington St, 7th Floor
Phoenix, AZ 85007

Secretary Bennett:

Pursuant to A.R.S. §16-602, Yavapai County conducted a hand count audit of the February 28, 2012 Presidential Preference Election.

The Yavapai County Party Chairs or their designee from the Democratic and Republican parties met at 3:00 pm on February 29, 2012 and randomly chose Vote Center #12 and Touch Screen C, which was located in Chino Valley and Vote Center #19 and Touch Screen D, which was located in Camp Verde, and early ballot batches #1, #2, Prescott Early TSx #1 and Cottonwood Early TSx #2 to be hand counted. As per statute, both the Green and Republican races were slated to be hand counted.

At 8:00 am on March 1, 2012, 4 Democratic and 4 Republican hand count workers met to begin the hand count. Because each board requires a minimum of three hand count workers, both party chairmen agreed to allow one Republican worker supplied from the County Elections department to fill in, to make three full hand count boards. By 9:30 am, the hand count audit had been completed successfully.

Attached are the precinct and early ballot hand count worksheets, which depict the results of the hand count audit for each race. Please note that there were no Green candidate votes in any of the randomly selected batches or vote centers. I am happy to report that everything that was hand counted matched the machine determined results with zero errors.

Respectfully Submitted,

A handwritten signature in black ink, reading "Lynn A. Constabile".
